I have the honour to state that the allocation statement of the Officials and Employees of this Municipality has been sent separately for obtaining kind sanction of Government. But as the allocation statement has to be scrutinised in the Audit Office it may take some time for obtaining the sanction of Government and order of Government may not reach this Office early.

In this connection I write to state that the Financial position the Municipal Employees has become worse day by day on account of the prices of Food Stuffs and essential Commodities soaring high particularly the menial sweeping and scavanging staff are finding it practically impossible to make both ends meet. Added to this the most important Hindu Festival Mahanavami is past approaching and the above Staff has been urging for arranging to give them the financial benifits of the revision of the scales of pay. Even while sanctioning the revision of the scales of pay of the Government and other employees just to give them immediate relief the Government were pleased to order that the minimum pay of the revised scale may be given effect to from 1-9-47, and this concession has given them a great relief. Similar to this concession in order to tide over the present financial difficulty of the Municipal Employees I beg to request that I may kindly be permitted to draw for the Municipal employees the minimum pay in the revised scale of pay from 1-1-47 care being taken to see that the amount of one months pay already advanced is also deducted and the interest of

P T O.

the Municipality are guarded. I am sure that such an order will give them immediate relief at an urgent needy time and that this action will also be correct, as the employees had to be paid this difference though not now at least after the sanction of the allowation Statement

Finally I am to state that if the relief now proposed is not immediately sanctioned there is the fear of the workers going on a strike and the normal work will have to suffer Hence both in order to carry on the normal work and also to give them immediate relief at a time of great need, I once again request you to kindly allow me to draw the minimum of pay of the revised scale of pay of the Municipal employees wherever such a scale has been sanctioned and also to draw the minimum pay of the revised proposed scale of pay in respect of others from 1-1-1947 pending sanction of the allowation statement.

In kind consideration of all the above facts I once again request you to kindly obtain sanction of Government to my proposal immediately and communicate the same before the commencement of "Dasara Feast" (Mahanavami).

Yours faithfully,

President,
Town Municipal Council,
Chitaldrug.

I have the honour to state that the allocation statement of the Officials and employees of this Municipality has been sent correctly for obtaining Government sanction. But as the allocation statement has to be scrutinised in the Audit Office it may take some time for obtaining the sanction of Government and order of Government may not reach this Office early.

In this connection I write to state that the financial position of this Municipality has become very bad on account of the prices of foodstuffs and other articles soaring high particularly the rainfall during the season of June-July not affording practically any possibility to make the usual collections. Added to this the recent important Hindu festival Dasara is also coming and the employees have been urging for arranging to give them the financial benefits of the revision of the scale of pay. Even while considering the revision of the scale of pay of the Government and other employees just to give them immediate relief the Government were pleased to order that the minimum pay of the revised scale may be given effect to from 1-8-47, and this concession has given them a great relief. Similar to this concession in order to tide over the present financial difficulty of the Municipal employees I beg to request that they may kindly be permitted to draw for the Municipal employees the full amount in the revised scale of pay from 1-1-47 or according to order that the amount of one months pay alone as advanced is also collected and the interest of

I.f.c.

the Municipal Litigation Regulations, I am sure that Government Order will be issued in the near future relieving Government employees of the allocation at present time and that this question will also be considered, so that employees held to be paid this difference that have not so far been paid by the operation of the allocation at present.

Finally I beg to point out to you that if the relief now proposed is not immediately granted, there is a great deal of discontent prevailing on account of the Municipal employees will have to suffer. Hence both in order to relieve the Municipal employees and also to give them immediate relief at the time of Christmas, I once again request you to kindly issue orders to the Municipal Council to pay the whole of pay in respect of the Municipal employees from 1-1-1947 pending allocation of the allocation at present.

In view consideration of all the above facts I once again request you to kindly issue orders to Government to pay the proposal immediately and communicate the same before the commencement of "Deepam Festival" (Dhanvantri).

Yours faithfully,

Division so etc., I write to state as follows -

The subject was placed before the Municipal Council at its meeting held on 31-10-47 when it has resolved that this Municipality may be treated as Ist Class Municipality as contempleted in G.O.No. L.12002-17-M1 163-48-35 dated 12-6-1945, that the scale of Sree.C. The question of Water Supply in Chitaldrug Town is a great complication on account of adequate water resources. The distribution mains have been laid in several localities of the Town and the water supply improved. The entire distribution work of water supply rest with the Municipality and Sree C.Madakari Naik and three fitters are working through out the day and have coroperated to a very great extent in solving this problem. They have been promised to improve their status in giving them their scales of pay as is p

Sir,

Subject:- Revision of the Scales of pay of the Clerical Establishment of the Chitaldrug Town Municipality

With reference to your letter No. L 17892 dated 21-6-1948 addressed to the Deputy Commissioner Chitaldrug District, on the above subject, I write to state that the proposals for the revision for the remaining staff on the Octroi, Mohatarfa and all other Establishments in this Municipality have been seperately sent to Government with my letter No. HC/54 dated ~~21-9-48~~ 18-10-48 for obtaining sanction of Government.

1. The proposals for the revision of the scales of pay of the Clerical Staff are as follows:-

Sanctioned Strength -	Proposed Strength:-
1. Head Clerk on Rs 40-2-50	1 Head Clerk 60-5-90 EB 6-150
2 Clerks on Rs 25-1-40	3 Clerks 40-2-50 Eb 3- 80

The Scales of the Head Clerk is increased from 40-2-50 to 60-5-90-6-150 in view of the increased responsible work entrusted to the Head Clerk. The Scales of the other three Clerks have been increased from Rs 25-1-40 to 40-2-50-3-80 as per general principles to facilitate mutual transfer of Officials from the Municipality to the Revenue Department and vice versa. This revision of scales has also been recommended by the Deputy Commissioner in his letter No. 46. R 526/17-18 dated 1-6-48 addressed to you in the matter. I request that immediate sanction of Government may kindly be obtained to the revision of the scales as above from 1-1-1947 as already requested.

2. As regards the allocation of the pay in the revised grade, principles laid down by Government in G O.No. Fl 2682-5741-25-47-20 dated 14-10-1947, I have been followed in fixing the of the Clerks in the revised grades. The pay of the Head Clerk Janab H Peer Sab was fixed at Rs 50/- in 40-2-50 from 1-7-46 as per G.O.No. L 9957-58 M1 84-6-24 dated 13-1-47 on account of his rich experience and good work. The work and responsibility of this Official has increased very considerably and I am extreamly glad to note that his work is entirely satisfactory. He has put in a service of 9 years 11 months and 4 days as on 1-1-47. As per G.O. dated 14-10-47 three increments are allowed for a total service of above 10 years and up to 15 years. The Official has already put in a service of 9 years 11 months 4 days as on 1-1-47. The short difficiency of 26 days to make up the period to 10 years in his service may kindly be condoned and he may be fixed at Rs 75/- in grade 60-5-90-6-150 from 1-1-47 as this Official richly deserves this concession.

The allocation of pay of the Clerks as proposed by the Council has also been recommended by the Deputy Commissioner in his letter No. A6.P R. 526/47-48 dated 1-6-48. I request you to be so good as to obtain immediate sanction of Government to the allocation of pay as already recommended. The necessary proposition statement, allocation statement with the required certificate in regard to the weightage of service of the several Clerks, the Service Registers and other statements are also enclosed for kind reference.

The prices of the essntial commodities are rising day to day and it has become very hard to the poor Official Class to meet the cost of living. The proposals involved above are very similar and I request that immediate sanction of Government may kindly be obtained and communicated to mitigate the hardship caused to the Officials. This has been submitted direct to Government to save time as this had already been recommended by the Deputy Commissioner for sanction of the above proposals.

Yours Faithfully,
